ABOUT THE FAIR

The Faculty of Engineering - Alexandria University job fair aimed to connect students and graduates with major companies in various Engineering fields. It included networking opportunities, job placements, and training initiatives, such as an "Integrated Training with Industrial Companies" program. A digital platform designed to efficiently connect students and graduates with major companies, offering streamlined job streams and internship opportunities to enhance career planning.

OUR VISION

01 **Empowering Job Seekers** – Providing access to diverse career opportunities, skill-building resources, and networking with industry professionals

02 **Supporting Employers** – Helping companies discover and recruit top talent efficiently while promoting their brand and values.

03 **Enhancing Economic Growth** – Contributing to workforce development by matching skills with market demands.ficiently while promoting their brand and values.

04 **Fostering Inclusivity & Diversity** – Creating an equitable hiring environment where candidates from all backgrounds have opportunities.

05 **Leveraging Innovation** – Utilizing technology for virtual and hybrid job fairs to enhance accessibility and reach.

EVENT PROCEDURE

Pre-Event Coordination

- Organizers share event logistics (booth details, setup time, venue map, parking info, etc.).
- Companies receive participation guidelines and agenda.
- Info session schedules are finalized and shared.

Event Day

- Company representatives arrive early for booth setup.
- Networking and engagement with students and graduates.
- Info sessions and panel participation (if applicable).
- Distribution of promotional materials and company brochures.

Post-Event Follow-up

- Organizers share access to candidate database (if part of the package).
- Companies are encouraged to share hiring feedback or success stories.
- Post-event media coverage or testimonials.

REGISTRATION

01

Fill out the company information form here ASAP to reserve your spot.

https://forms.gle/mDAUMyqRGaEgRWHt7

02

Receive the participation form signed and stamped by the Dean of the Faculty of Engineering through our PR team.

03

Complete the payment and send proof of payment to:
e-mail: ahmed_ghanem@alexu.edu.eg
Mobile Number: 01060100727

MEDIA MATERIAL

Participating companies will be required to fill out a form to submit their media materials, including:

https://forms.gle/oq7dvbuCbisnJsiM7

- Company information and logo (high resolution)
- Job opportunities & Training programs
- Info session details (if applicable)

Note:

Registration is only confirmed after media materials is received. These materials will be used for promotional purposes and event announcements across various platforms. MUST be made no later than Thursday, September 17, 2026.

GENERAL INSTRUCTIONS

- **Registration is only confirmed after full payment is completed** and payment proof is submitted.
- The Faculty of Engineering – Alexandria University (FoE – AlexU) will not process any requests if payment is not received by the deadline.
- Pre-event marketing materials featuring the company's logo will be available only to companies that have completed their payment.
- If your company has a special payment procedure that requires involvement from the UCCD Career Center at FoE – AlexU, please indicate this in the registration form to ensure a smooth process within the deadline.
- All stated fees are NET amounts. The UCCD Career Center at FoE – AlexU is a governmental and non-profit entity, and is exempt from VAT.

Engineering Alexandria Job Fair 2025

THANK YOU

Over the years, our job fairs have served as a vital bridge between talented job seekers and leading employers, fostering countless career opportunities and professional connections. With each event, we have seen tremendous growth in participation, networking, and industry engagement, reflecting our commitment to empowering individuals and businesses alike. From entry-level candidates to seasoned professionals, our job fairs have helped shape careers, drive workforce development, and create lasting partnerships. As we continue this journey, we take pride in the success stories that have emerged and look forward to many more impactful events in the future.
