

ABOUT SOFTXPERT

Founded in 2010, Softxpert is a software development company headquartered in California, USA, with a development center in Egypt. The company delivers a broad range of technology services and solutions to a diversified portfolio of clients worldwide, with a primary focus on e-commerce, powered by its own suite of proprietary products.

OUR VISION

To build high-quality, cost-effective software applications customized to help SMEs and startups grow their businesses.

OUR MISSION

To satisfy a real need in the market for quality software applications at a competitive cost, serving the demand of small and medium businesses and governments for solutions that elevate client service and strengthen internal operations.
